

Wedding Pricelist

Essential Wedding Package \$950

For those who are looking for a simpler wedding coverage without compromising on quality. Consists of 3 hours of photography and is better suited to those having the ceremony and reception at the one venue, or those not wanting photographs taken at home prior to the ceremony. Coverage includes approximately 300 images and you receive a fully colour corrected proof album plus a DVD of high resolution images which are suitable for printing.

Album Wedding Package \$2950

For those who are wanting high quality professional images presented in an album to keep for years to come. Consists of 5 hours of photography at up to four locations, ie bride getting ready, ceremony, gardens or beach and early reception. Coverage includes approximately 600 images, a fully colour corrected proof album, a DVD of low resolution images, a high quality 25cm display album with 20 custom designed and fully retouched album sides.
